

Students feedback - (SSS)

ACTION TAKEN REPORT 2017-18

(submitted to the Principal)

The duly filled feedback forms were collected from the students . The response from the students were sought based on the questionnaires spanning the various criteria . The tabulated data of various departments were forwarded to the respective HODs for further action.

The significant areas which need to be addressed includes 1. ICT tools 2. More interactions with teachers outside the classrooms. 3. Career counselling in respective subjects. 4. Skill development programmes. These were discussed in the department meetings and the following are resolved.

1. The use of ICT tools shall be improved by the teachers in the classroom for effective teaching.
2. The need for more smart classrooms were identified.
3. There is a shortage of computers and laptops which need to be addressed.
4. It was resolved to engage meetings with students on regular basis to address matters related to jobs, careers and other grievances.
- 5 The commerce department resolved to arrange awareness class towards modern taxation and GST.

The departments have discussed the matter and the minutes of the meeting have been maintained .
